### **Important Carpool Info**

\*Please do not text/be on your phone while line is actively moving or while exiting campus.

\*For morning carpool, parents, please do not get out of your car. Wait for a teacher to come to your car door and help your child out. (This is for all ages since we have early childhood students in our regular carline.)

\*For afternoon carpool, early childhood parents (LE-JK) should arrive closer to our 2:40 dismissal time to avoid causing traffic congestion for parents of older students. If you have an older student, your EC student will be picked up with them.

For SK-5<sup>th</sup> families, please try to arrive no earlier than 3:00 pm for our 3:10 dismissal. Carpool is interfering with our Early Childhood pickup line as well as causing an early traffic backup on Wolf River Road.

\*Please do not park on the street behind our school and walk up to get your child. We have had complaints from the neighborhood. Thank you for your help in keeping our children safe!
