Yearbook Update

2019-2020 Yearbooks are still being printed and bound at the plant. We will distribute the yearbooks to all US and MS students on the same distribution day after we receive them. 6th graders will receive their LS yearbook on the same day as the US and MS students. For graduates, we will have several opportunities for them to get their yearbooks. Because of COVID-19, we made the decision to include senior activities and graduation which meant a later completion date and a later date to receive the finished book. If you have any questions, you can contact Lisa Field at lfield@ecseagles.com.
