Washington DC Trip

Parents, please make sure to fill out the form showing interest in the 8th Grade Washington, D.C. Trip. The dates for the trip are November 6-10, 2019. This form is to give us a tentative number of families interested in attending this trip only. Permission slips and final commitments will be given at a later time. SMART Tuition will be charged beginning July 1, 2019 in 4 equal payments for confirmed travelers. Transportation is by bus and is included in the trip cost.

The mission of Evangelical Christian School is to provide the Christian family a Christ-centered, biblically-directed education that challenges students to know the Lord Jesus Christ and to develop the vision and practice of excellence in academics, character, leadership, and service to others.

Achievement Tests

Middle School will start Achievement tests the week of April 15th. Make sure that your student has plenty of rest and a good breakfast to start the day. Please make every effort to be on time to school and to not make any appointments for your student in the mornings. iPads and pencils will need to come to school fully charged each day. We will be taking the tests on these devices. You will also need to send in a calculator for your student to use for the Math portion. iPads and phone calculators will not be allowed.

iPads and Pencils

Please remind your students to charge their iPads and pencils before they come to school. iPads are used every day in the classroom. When they are not charged, students are not able to participate in the lesson the teacher has prepared.
