Policies for Guests Attending ECS Parent-Sponsored Dances

- ECS students may invite students from other high schools to ECS dances who are in grades 9-12 only.
- Students and guests may be required to pass a professionally administered breathalyzer test at any of these times:
 - 1) in order to be admitted to the dance.
 - 2) at any time during the dance.
 - 3) upon exiting the dance.
- Professionals administering the breathalyzer test, along with the security guards, will be required to report to the school administration the names of any students or guests who fail the breathalyzer test or who commit any other major infraction of the ECS Code of Conduct.
- Students and guests may not leave the dance and return later. This includes going to their car *unescorted* by a chaperone.
- Dancing will be supervised by ECS parent chaperones. Lewd or "dirty" dancing is not allowed at ECS dances. Students or guests who violate this policy may be suspended from the dance floor and ineligible to attend future ECS dances.
